I am glad to confirm that we seem to have presented awards to the correct athletes and Clubs.

This is due, of course, to the excellent work of our results team, who work in less than ideal conditions, but still manage to get out results every meeting with very few errors. This is despite the occasional problems with athletes' numbers etc. I am particularly impressed that results were available by 2pm, when I consider how carefully everything needed to be checked for the presentations.

Thanks must go equally to all our League Technical Officials, and the Club helpers at each meeting. The Officials commit to all five races where they can, and their professionalism is what makes the League so successful.

Chris Lockley
League Secretary
